Sth Comm. Portugal.

No. 4

My Lord,

I have the honor to inform Your Lordships that on the 2. Instant I held a meeting at the Office of the mixed Commissions with Mr. Altavilla, His Most Faithfull Majesty's Commissary Judge, in order to take cognisance of the two reserved Cases of the Portuguese Schooners the Cintra and the N.S. Salvador. The Case of the Cintra (an abstract of which was forwarded to Your Lordship under date of the 30th November last) with the whole of the evidence being so clear as to stamp the voyage with illegality, Mr. Altavilla did not hesitate a moment on joining with me in the condemnation of the vessel.

But

Right Hon.ble Viscount Castlereagh.
Majesty's Principal Secretary of State for Foreign Affairs.
