Note, It is found on closely examining the Register of Slaves that the 102 Men, 23 Women 2 Boys and 11 Girls received from the Activo in May 1826, and which ~~was~~ vessel was restored, were not entered. This making the total number of Africans registered to this time 37,458, an error is however made in the former part of the Register of 2 over computed, which leaves the correct number received by the Department. 37,456
